

Doug Gill Trophy – 2010

Report by Tony Morgan

The **2010 Doug Gill Trophy** was held on **Saturday 14th August** and proved to be another successful tournament for local players.

There was a good response for both Divisions 1 & 2 and for the first time our local juniors were involved - playing in the Under 11's & Under 15's categories.

We received over 50 individual entries for the 12 events contested on the day. This equated to 85 matches (or 170 sets) being played over 8 hours.

A special thank you goes out to all the players, umpires, organisers, spectators and BBQ helpers for making the day a success.

The tournament results were –
